

Margie Daily (DiOrio)

I was introduced to the ship by my dear cousin Joanna LaCorte. I believe I started to show up on the ship around 1987 or so. Bill had a friend that told him about the ship so Bill started around 1988. We didn't start to date until Nov.1989. We married June 1992 and have two children. Alex will be 17 in Feb. and Juliette is 14. All thanks to the Gazela.

I always thought that if they had a reunion with all the couples who met on the Gazela they could make a bunch of money.

Peace,

Margie
